PAY DETAIL

This area shows each type of earnings you receive. It will show docks on a separate line as a negative amount and will also show separate lines for retroactive and arrears payments. If your pay is based on hours or days, the number of units and rate of pay will be displayed.

EMPLOYEE DEDUCTIONS

This area gives descriptions of every mandatory and voluntary deduction from your pay. If you have additional Federal and State taxes deducted, these amounts are combined with your regular deductions for Federal and State. Any deduction that reduces your taxable gross is shown with an asterisk. A negative deduction is added to your pay. An example of this is Deferred Net Pay when it is paid back to you.

OASDI - Old Age and Survivor's Disability Insurance, aka Social Security
DNP - Deferred Net Pay
